Reminders

- 10/30 – Hour early out will be set aside for your learning points activity groups
 - Those not in a group will be responsible for completing a rigor and relevance worksheet analysis of two upcoming lessons
- Teachers – PLEASE be sure to mark your attendance each period accurately. We are having a large amount of discrepancies in regards to who is and who is not here.
- Thanks for your support on the code red drill – if you have any suggestions please contact Mr. Mackey

Kudos

- To Don Fredrick and Ian Klein for bringing conference championships to Geneseo in Cross Country and Soccer.
- To the Science Department for hosting the NCIC articulation day and presenting information.
- To Deb Rokis for her hard work keeping students and staff healthy as well as getting out valuable information.
